

## Industrial Tours 1: “atlas – the shoe company”

Located in Dortmund, atlas - the shoe company is one of the leading manufacturers of safety shoes in Europe. Almost 2 million pairs of high-tech shoes are produced annually at the ultra-modern production site.

A team of over 1.450 employees ensures that the enormous daily production runs smoothly. As a shoe specialist with many years of experience, we develop sector-specific safety shoes. Every shoe coming out of our factory is of excellent quality and is tailored specifically to the needs of our customers.

Last year, the production and warehouse area was increased to a size of 300.000 sqm allowing a great capacity of up to 350.000 pairs of safety shoes to be stored on site. This way, optimized supply logistics are available to our customers worldwide.
